The Green Graduate: Educating Every Student as a Sustainable Practitioner

By Samuel Mann

New Zealand Council for Educational Research (NZCER) Press, New Zealand, 2011. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.The challenge: every student graduates able to think and act as a sustainable practitioner, whatever their field. This is the goal Otago Polytechnic set itself and, as one of the main proponents, Samuel Mann became the go-to guy. Here he takes the reader on that journey and in doing so provides the framework for making sustainability a core competency for graduates across every kind of tertiary education and training. The book will give practitioners the tools to integrate sustainability into their programmes in ways that work for them and are directly relevant to their discipline. The book also tackles common barriers to sustainability education, from Do we need to tackle this right now? to Is it even our problem?.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
