REST IN PIECES

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Mustang Ridges isn't a town, a stripper, or some old western movie. She's a feisty, single mom living in the small town of Lakeside, Texas where money does buy happiness and keeping up appearances is much more important than the truth. Six months ago on her thirtieth birthday, her husband decided that married life, fatherhood, and his job as the Lakeside Chief of Police weren't as exciting as a permanent vacation to Grand Cayman with his mistress and a million dollars in diamonds he stole from the police evidence lockup. Mustang is a pariah in a Lakeside full of piranha. But she refuses to leave-this is her home, and she figures that if she can't join them, then she'll beat them at their own game. With a little luck, some intimidation, and the help of her good friends Monica and Haley, Mustang presides over her own little slice of Lakeside, the Bee Creek Elementary Parent Teacher Organization. All is quiet in Lakeside until Molly Miars, the kindergarten teacher, is found dead. According to the new police chief, she overdosed on heroin. That doesn't explain why her head was the only body part to make it to her funeral. Mustang and her fellow PTOers don't buy the heroin overdose for a second. Vowing to do right by Molly, the PTO decides to investigate. Quickly they find that Lakeside isn't the quiet, sleepy town it appears to be. There is a dark side-money laundering and drug trafficking. When Mustang's name turns up on a contract killer's hit list, things go from bad to worse. Can she and...
