Random House USA Inc, United States, 1998. Paperback. Book Condition: New. Reprint. 175 x 104 mm. Language: English . Brand New Book. A professor of abnormal psychology, Jeffrey Clayton struggles with a dark past. Twenty-five years before, Jeffrey and his mother and sister fled his tyrannical father - a man who was later suspected in the heinous murder of a young student. Though the father was never charged, he committed suicide. Or so it seemed. Since then Jeffrey s mother and his sister, Susan, have concealed themselves in the remote tangled swamps of the Upper Keys, where Susan creates word games for Miami Magazine. But someone has sent her a cryptic note. Once deciphered, it carries a terrifying message: I have found you. At the same time, a serial killer has invaded a community whose citizens seek a haven of old-fashioned values. And one new-fashioned guarantee: unconditional safety. But no one is safe from this intruder - who murders young girls in unspeakable ways. Is Jeffrey Clayton s father the source of this latest killing spree? The authorities think so - and they present Jeffrey with an ultimatum: Find the butcher responsible for the newborn spate of carnage. Find your father.
