CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 170 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. PRIMITIVE PASSION Sylvia Radcliff likes her men fast talking, fast moving and gone by the second date. At least, she thought she did until she meets the brooding and sexy Heath Williams while on vacation in Mexico. Heath is the polar opposite of every man Sylvia has ever dated. . . only they arent exactly dating. . . Heath unwittingly came to Sylvias rescue when her cabby turned into a thief, stealing her money and leaving her stranded in the midst of the Mexican jungle. Due to a chronic phobia, Heath, who calls the jungle his home, has avoided the bulk of humanity for nearly a decade. But something about Sylvia is too tempting to ignore. He not only wants the beautiful stranger, he needs her for the sake of his sanity. Sylvia, a city-girl through and through, is desperate to get back to civilization. So desperate she finds herself striking a devils bargain with the enigmatic Heath. She agrees to spend three days complying with his every carnal demand in exchange for his leading her to the nearest town at the end of that time. What Sylvia doesnt plan on is the thrill that comes from giving into Heath, or that at the end of those three days, she wont want to leave the isolated stranger, who suddenly doesnt seem like a stranger at all, but like a man who has taken up permanent residence in her heart. The sex set off the story nicely; raunchy when it was called for, and sensual when that was more in tune with the story. . . Primitive Passion was excellent and realistic. . . Its worthy of five stars....
