Brand New Book ***** Print on Demand *****.Excerpt from Harper s New Monthly Magazine, 1882, Vol. 26 In a few minutes we touched bottom; or rather, by something like instinct, the machine stopped just as we reached the base of the shaft, and allowed us to glide off gently on the firm earth. We were now at the first stage of our journey, having descended something over two hundred feet. The ramifications of the various tunnels are so intricate and extensive that they may be said to resemble more the streets of a large city than a series of excavations made in the bowels of the earth. These subterranean passages are named after various kings and emperors, and diverge in every direction, opening at intervals into spacious caverns and apartments, and undermining the country for a distance of several miles. Some of them pass entirely under the town of Wieliczka. In general they are supported by massive beams of wood, and where the overhanging masses of salt require a still stronger support they are sustained by immense columns of the original stratum. In former...
