Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Guilford Publications. Paperback. Book Condition: new. BRAND NEW, Teaching Literacy in Fifth Grade, Susan I. McMahon, Jacqueline Wells, For students, fifth grade is a time of increasing independence and responsibility. Yet fifth-graders vary widely in their reading and writing abilities - and they are still young enough to require considerable teacher support. Depicting an exemplary teacher in action, this indispensable book presents innovative, practical strategies for creating an organized, motivating, and literacy-rich fifth-grade classroom. The authors show how to assess student needs and implement standards-based instruction that targets comprehension, vocabulary, writing, genre study, and other crucial areas. Grounded in current best practices, the book includes helpful planning tips, illustrations, and reproducibles.
