Jaico Publishing House, Delhi, India. Softcover. Book Condition: New. This question and answer book tells a true story of great trust, love, and humor between Osho and those who have gathered around him again after a long separation. Fresh from their adventures and experiences as seekers alone in the marketplace, this book is full of genuine, pertinent questions and enlightened responses from Osho that will inspire each one of us to live our full potential and risk walking on the razors edge of life. You have taken the first step towards reality, now never look backwards, however dangerous it seems because as questions and answers and I and you start disappearing, you will find yourself entering into a more and more unknown space.
