

Workshop Notes Sketches (Classic Reprint)

By Thomas A Clark

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Workshop Notes Sketches Technical Education being of so recent introduction into our schools, teachers have meantime at their command only a limited selection of text-books on the subject, and in one of its branches, handicraft, no text-book entirely suitable for young pupils has yet been published. That the present book, which is the result of several years experience in the teaching of handicraft in schools, will altogether supply the want, it may be too much to suppose; but so far as it goes, the course which it lays down has been found to yield very satisfactory results. By providing pupils with an outline of the session s work, and a concise description of the tools employed, a considerable economy of time is effected. Only the tools absolutely necessary for the various processes are here described, but should the teacher desire to refer to additional tools or otherwise vary the course, advantage can be taken of the blank pages which have been inserted chiefly for extension notes. There may be a variety of opinion about the...
