This item is printed on demand - Print on Demand Neuware - Essay from the year 2005 in the subject History Europe - Germany - World War I, Weimar Republic, grade: 1,7, University of Birmingham, language: English, abstract: Although it ended over a lifetime ago, the First World War is still present in the memory of today's British society. It was the massive, and in the British national experience, unprecedented number of casualties that made it The Great War in the perception of the British public. To face the challenge of total war both political practice and economy had to be transformed radically and, in a dramatically short period of time, hundreds of thousands of men had to be raised for the military forces. The whole society endured a heavy burden and was profoundly changed during the wartime. This essay investigates the major impacts of the First World War on the British society. Therefore, after describing the upcoming nationalism and a promoting class consciousness, both caused by the war, the examination focuses on the impact of the war on everyday life. Finally, the impact of the war on the British political culture is described. II. Heightened Nationalism and Class Consciousness Although the conflicts with some of her European colonial rivals in the late 19th century and the early 20th century led to an increasing effort in improving the logistic and training of Britain's military, resulting, for example, in the creation of the Committee of Imperial Defence (1902), the General Staff (1904) and the Officers Training Corps, the military force Britain could raise at the beginning of World War I was, compared to the major continental powers France and Germany, relatively small. At the outbreak of...
