Belle wishes she didn't understand people language, especially words like sit, stay, and come. Those commands take the fun out of being a pet. Worse, Belle's owner Darcy is so busy with school, soccer, and singing that she hardly has time to play with Belle. In search of fun, Belle digs out of the yard, knocks over waste baskets, and encourages Darcy's other dog Buster into all kinds of mischief. Darcy's furious parents threaten to find a new home for the disobedient dog. Darcy enrolls Belle in agility training to teach her discipline. Determined to stay with her beloved mistress, Belle takes on the challenging sport, discovering along the way that discipline means far more than an angry word. It means coping with Big Toby, her former tormentor, and keeping an eye out for Bonehead, Toby's cruel father, and mastering the terrifying agility obstacle, the teeter totter. Can she focus her new found discipline to overcome her fear and succeed? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
