Out of options, Rick joins the weird organization, expecting some two weeks of training and an adjustment period. Tough luck, he doesn't get either. On his first day, his new partner offers to promote him to field agent if they get mated less time wasted on training, more time on the field, and considering Rick is the only tracker the Bureau has on hand when a wave of strange murders hits the community, time is of the essence. Someone's killing the leaders of the paranormal world and mutilating the bodies.
