Brand New Book ***** Print on Demand *****.Stumbling Over A Quarter To Pick Up A Penny: Understanding Your Life s Spiritual Periods is a book that teaches you how to remain in God s Power while dealing with life s everyday challenges. Stumbling Over A Quarter To Pick Up A Penny is a metaphor for how you deal inappropriately with your life s challenges---whether they are related to relationships, illicit behavior, wealth, health or spiritual peace of mind. The Six Spiritual Periods: Probation, Preparation, Conquest, Power, Decline, and Servitude are the different stages of life that you find yourself in while dealing with those challenges. Oftentimes you are not in God s Power, where you want to be, but in one of the other five. To get to God s Power or to remain in it, you need to understand the principles of the Six Spiritual Periods that are contained in this book. The stories in this book are built around a recent awareness that God gave me of how to unlock the understanding of life s Six Spiritual Periods. They are an accumulation of my personal stumbling experiences blended together with Biblical stories and Scripture references that I use to reveal to you how important it is to have a correct understanding of which of the Six Spiritual Periods that you are currently living your life in. Written for individuals of all ages, the book takes less than four hours to read, but its unique insights can last a lifetime. So read the stories, complete the Determining Your Life s Spiritual Period Worksheet and then enjoy the personal happiness fostered by your new understanding of how God s Power works.
