The Legacy continues the saga of the Lavette family begun in these bestsellers: The Immigrants, Second Generation, and The Establishment. This fourth-in-series story takes place during the turbulent 1960s as Barbara Lavette and her family are embroiled in the issues of that decade: Civil Rights, Israel s Six-Day War, the Nixon years, Vietnam and riots in the street. Barbara Lavette develops into a powerful, strong willed, capable person while the children of the third generation of Lavettes take their place in society and stand by their own ideals and values. The Legacy will capture listeners with its involving story and leave them wanting more!.
