MR CHURCHILL'S PROFESSION: STATESMAN, ORATOR, WRITER

[DOWNLOAD](#)

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Mr Churchill's Profession: Statesman, Orator, Writer, Peter Clarke, In 1953, Winston Churchill received the Nobel Prize for Literature. In fact, Churchill was a professional writer before he was a politician, and published a stream of books and articles over the course of two intertwined careers. Now historian Peter Clarke traces the writing of the magisterial work that occupied Churchill for a quarter century, his four-volume History of the English-Speaking Peoples. As an author, Churchill faced woes familiar to many others; chronically short of funds, late on deadlines, scrambling to sell new projects or cajoling his publishers for more advance money. He signed a contract for the English-Speaking project in 1932, a time when his political career seemed over. The magnum opus was to be delivered in 1939, but in that year, history overtook history-writing. When the Nazis swept across Europe, Churchill was summoned from political exile to become Prime Minister. The English-Speaking Peoples would have to wait. The book would indeed be written and become a bestseller, after Churchill left public life. But even before he took office, the massive project was shaping his worldview, his speeches and his leadership. In these pages, Peter Clarke follows Churchill's monumental quest to chronicle the English-Speaking Peoples - a quest that helped to define the enduring 'special relationship' between Britain and America. In the process, Clarke gives us not just an untold chapter in literary history, but a fresh perspective on this iconic figure: a life of Churchill the author.
