Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

## HUNTING UNICORNS (MAIN MARKET ED.)

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Hunting Unicorns (Main Market Ed.), Bella Pollen, American Maggie Monroe is a journalist for New York's hard-hitting current affairs show Newslane. Independent and fearless, the more cutting-edge the story, the happier she is. But when her next assignment turns out to be an in-depth documentary on the decline of England's ruling classes, she's furious at being sent to cover a bloody tea party. Meet the Earl and Countess of Bevan, eccentric, maddening and with family secrets to hide. Meet Daniel Bevan - their eldest son. Funny, attractive and hopelessly alcoholic. Meet Daniel's responsible brother Rory - angry, self-mocking and strictly teetotal. When Maggie discovers Rory to be an uninvited chaperone on the first stop of her journey the two look set to clash. Maggie finds herself torn between her journalist ideals and coming to terms with a greater understanding. This unlikely romantic comedy paints an endearing portrait of a family, which like so many others, holds itself together despite its evident frailties. 'Hilariously accurate .A gifted writer with a pithy, poetic style' Wendy Holden, Daily Mail.
