Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jesus In The Covenants: Every Sign Predicts His Coming is a New Covenant curriculum for church children from preschool to age twelve and includes fifty-two lessons for a year s Sunday School program. The purpose of this curriculum is to teach the covenants while linking the New Testament with the Old Testament. This is done through the use of the Connect The Root method, a feature of the newly developed Messianic Instructional Model. In the class study, the students will participate in an in-depth scripture study. Each lesson includes a student worksheet that can be saved and used for future research or Bible study at home. We believe that you will find that this new curriculum is a very thorough study of God s word for young people.
