Llewellyn Publications,U.S., United States, 2009. Paperback. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book. Witches praying the rosary? Catholics dealing Tarot cards? For some, it s blasphemy. For others, it s a launching pad to enlightenment. But for interfaith experts Joyce and River Higginbotham, it s a new reality begging for intellectual study. More and more, Pagans and Christians are incorporating each other s practices into their own belief systems, forging hybrid spiritual paths that borrow from both earth- and scripture-based religions. Standing in two worlds at once, these ChristoPagans are forcing a new conversation about the nature of faith - and the evolving spiritual needs of a chaotic world. With scholarly poise, the Higginbothams wade into this provocative religious pairing, deftly navigating its minefield of heresy and personal bias. Free of political agenda but ripe with open-minded curiosity, ChristoPaganism launches a whole new dialogue on the subject of personal belief.
